

# Guidelines for the .tirol reserved domain names

---

## **.tirol RESERVED DOMAIN NAMES**

The registry punkt Tirol GmbH may at any time reserve domain names from registration, including, without limitation, those domain names:

- Reserved for operations and other purposes, including without limitation certain premium names, which the registry may change from time to time
- Reserved or restricted to comply with ICANN requirements, including those reserved for certain third parties or
- Still pending, in process, or otherwise not available, such as domain names that are still pending processing of Sunrise registration.

Registrars may request the reserved domain names list directly from punkt Tirol GmbH via e-mail: [office@nic.tirol](mailto:office@nic.tirol)

The registry for .TIROL will decide case-by-case and in its sole decision whether a domain name will be withdrawn from the reservation list and made available for registration to the requesting registrar.
