1 Preamble

1. This policy has been adopted by all accredited Domain Name Registrars for Domain Names ending in .tirol.
2. The policy is between the Registrar and its customer (the Domain Name holder or Registrant). Thus, the policy uses "we" and "our" to refer to the Registrar and it uses "you" and "your" to refer to the Domain Name holder.

This Policy is to be incorporated in all agreements with Registrants concerning Domain Name registrations in the .tirol gTLD (the "Registration Agreement"). "You" and "your" refer to the Registrant. "Us" "our" and "we" refer to the applicable Registrar.

2 Purpose

This Eligibility Requirements Dispute Resolution Policy (the "Policy") is incorporated by reference into your Registration Agreement, and sets forth the terms and conditions in connection with disputes over the registration and use of an Internet Domain Name, registered by you in the .tirol gTLD. The proceedings under Paragraph 4 of this Policy will be conducted according to the Rules for Eligibility Requirements Dispute Resolution Policy (the "ERDRP Rules"), which are available at <http://www.nic.tirol> and the selected administrative dispute resolution service provider's supplemental rules. For the purposes of this Policy, the term "Registered Name" means a Domain Name registration in the .tirol gTLD.

3 Your Representations

By applying to register a Domain Name within the .tirol gTLD (a "Registered Name"), or by asking us to maintain or renew a Registered Name, you hereby represent and warrant to us that, to your knowledge, the registration of your Registered Name conforms to the eligibility requirements set forth in the .tirol gTLD Registration Policy (Eligibility Requirements) <http://www.nic.tirol>.

4 Cancellations

We will cancel Registered Names upon our receipt of a decision of an ERDRP Provider requiring such action in any administrative proceeding to which you were a party and which was conducted under this Policy or a later version of this Policy. We may also cancel a Registered Name registration in accordance with the terms of your Registration Agreement or other legal requirements.

5 Mandatory Administrative Proceeding

This paragraph sets forth the types of disputes for which you are required to submit to a mandatory administrative proceeding under this Policy. These proceedings will be conducted before an ERDRP Provider that has been approved by the Internet Corporation for Assigned Names and Numbers ("ICANN"). A list of ERDRP Providers is available at <http://www.icann.org/udrp/ERDRP-providers.html>.

a. Applicable Disputes.

You are required to submit to a mandatory administrative proceeding in the event that a third party (a "Complainant") asserts to the applicable ERDRP Provider, in compliance with the ERDRP Rules that your Registered Name does not meet the Eligibility Requirements; in the administrative proceeding, the Complainant must prove this element.

b. Registered Name Disputes.

Evidence of Registration in Violation of the Eligibility Requirements. For the purposes of paragraph 4, if the Panel of the ERDRP Provider finds that your Registered Name does not meet the Eligibility Requirements, then such finding shall be evidence that your Registered Name violated the Eligibility Requirements. If the Panel finds that your Registered Name violated the Eligibility Requirements, the Panel shall exercise the remedy set forth in the ERDRP Rules.

c. Registered Name Disputes.

How to Demonstrate Your Rights to and Legitimate Interests in the Registered Name in Responding to a Complaint. For the purposes of paragraph 4, when you receive a complaint, you should refer to the ERDRP Rules in determining how your response should be prepared.

6 Procedure

a. Selection of ERDRP Provider. The Complainant shall select the ERDRP Provider from those on the list of ERDRP Providers by submitting the complaint to that ERDRP Provider. The selected ERDRP Provider will administer the proceeding.

b. Initiation of Proceeding and Process and Appointment of the Panel. The ERDRP Rules state the process for initiating and conducting a proceeding and for appointing the panel that will decide the dispute (the "Panel").

c. Fees. All fees charged by an ERDRP Provider in connection with any dispute before a Panel shall be paid in accordance with the ERDRP Rules.

d. Our Involvement in Administrative Proceedings. We do not, and will not, participate in the administration or conduct of any proceeding before a Panel. In addition, we will not be liable as a result of any decisions rendered by the Panel.

e. Remedy. The remedy available to a Complainant pursuant to any proceeding before a Panel shall be limited to the cancellation of your Registered Name.

f. Notification and Publication. The ERDRP Provider shall notify us and ICANN of any decision made by a Panel with respect to a Registered Name. All decisions under this Policy will be published in full over the Internet, except when a Panel determines in an exceptional case to redact portions of its decision.

7 All Other Disputes and Litigation

All other disputes between you and any party other than us regarding your Registered Name that are not brought pursuant to the mandatory administrative proceeding provisions of Paragraph 5 shall be resolved between you and such other party through any court, arbitration or other proceeding that may be available.

8 Our Involvement in Disputes

We will not participate in any way in any dispute between you and any party other than us or the operator of the .tirol gTLD (Registry) regarding the registration and use of your Registered Name. You shall not name us as a party or otherwise include us in any such proceeding. In the event that we are named as a party in any such proceeding, we reserve the right to raise any and all defenses deemed appropriate, and to take any other action necessary to defend ourselves.

9 Maintaining the Status Quo

We will not cancel, transfer, activate, deactivate, or otherwise change the status of any Registered Name under this Policy except as provided in Paragraph 4 above.

10 Changing Registrars during a Dispute

You may not transfer your Registered Name to another Registrar during a pending administrative proceeding brought pursuant to Paragraph 5 or for a period of fifteen (15) business days (as observed in the location of our principal place of business) after such proceeding is concluded.

11 Policy Modifications

We reserve the right to modify this Policy at any time with the permission of ICANN. We will post our revised Policy at <http://www.nic.tirol> least thirty (30) calendar days before it becomes effective. Unless this Policy has already been invoked by the submission of a complaint to an ERDRP Provider, in which event the version of the Policy in effect at the time it was invoked will apply to you until the dispute is over, all such changes will be binding upon you with respect to any Registered Name dispute, whether the dispute arose before, on or after the effective date of our change. In the event that you object to a change in this Policy, your sole remedy is to cancel your Registered Name, provided that you will not be entitled to a refund of any fees you paid to us. The revised Policy will apply to you until you cancel your Registered Name.
